**CD MASTERING &
DUPLICATION RATE SCHEDULE**
-updated June, 2005

PPG offers High-speed CD duplication in all the popular formats- Audio CD, Video CD/SuperVideo CD, and Mac/PC CD-ROM. We can duplicate fifteen CD's at a time at 16x speed! Full size CD-R and CD-RW, miniCD, and most BizCard CD's are all accepted. Our CD's are chosen for the highest quality, durability and compatibility.

Please allow three to four business days per order. For larger orders, ask about our CD replication rates.

AudioCD / VideoCD Mastering				
	Under 10 minutes	11-30 minutes	31-60 minutes	61-80 minutes
Cost	\$ 10.00	\$ 12.00	\$ 15.00	\$ 20.00

(Mastering must be done for the 1st copy of a transfer. Multiple copies may then be done from that master)*

Duplication setup fee for all standard, printed runs of 25 or less **\$10.00**

CD Duplication		
	1 – 500 copies	501 – 100 copies
Black ink	\$1.50	\$1.25
Color	\$1.85	\$1.60

Standard Price Includes:

- Standard size 74Min.(650MB) or 80Min.(700MB) capacity, top quality White CD-R
- On-disc Printing (or paper labels) as designated, with finished artwork supplied by client
- Choice of standard packaging:
Jewel Box (Black Back, Clear Front), or
Paper sleeve (White, with clear, round, plastic window)

Ask about our many other labelling, inserts, packaging and sizing options. Quoted per job. Printing graphics should be pre-formatted and production-ready, otherwise additional charges apply.

*Mastering does NOT include authoring. It is a simple, continuous, preformatted 1-to-1 transfer. For more advanced capabilities, ask about our authoring rates.

Some formats may not be recognized by the CD Duplicator, and require additional repurposing time and expense. Check with our technicians to see if your source disc is pre-mastered correctly

Orders over \$ 200.00 may require 50% deposit.
